

Island County Astronomical Society

March 25, 2025

Dear Island County Astronomical Society,

Thank you for your generous donation of the two telescopes in November 2023 and March 2025.

Our Library has served Everett since 1894 through steadfast dedication to **sharing knowledge and providing resources for our community**. Our two branches support everyone who calls Everett home.

Together with your support, Everett Public Library can continue to engage our community with programs and events that inform, educate, and entertain. Your donation helps us achieve our mission.

We are so grateful to have a community who invests in our vision **of education, information and entertainment**. We hope to see you in our branches soon!

For any questions or concerns regarding your giving or your donor benefits, please contact our Administrative Coordinator, Meghan Edwards-bond, at 425.257.7620 or by email at medwards-bond@everettwa.gov.

With gratitude,
